

# UKMT Y8–9 Team Maths Challenge

## Think. Collaborate. Compete.

Put your problem-solving skills to the test in this exciting team competition for Year 8–9 students. Work together to tackle creative mathematical challenges and celebrate teamwork, strategy, and mathematical thinking.

### Conference highlights:

- National **UKMT Team Maths Challenge**
- Mix of Year 8 and Year 9 students (maximum of 2 Year 9s per team)
- Engaging rounds designed to stretch and inspire young mathematicians
- Opportunity to represent your school in a friendly, competitive environment

### Details:

- **Wednesday 4 March 2026, 10:00–15:00**  
(arrive by 09:30 for check-in and teacher briefing)
- At **Durham Sixth Form Centre**
- **1 team per school (4 students + 1 teacher)**
- **£50 per team**
- **Bring a packed lunch** (nut-free event)
- **Parking details** provided prior to the event

### Important information:

- Please inform **teams@ukmt.org.uk** of any student allergies.
- For photo consent preferences, contact: **teams@ukmt.org.uk**.
- All entries must be made by **registered UKMT centres** — not by individual students or parents.

### Places left: 18
