

Y10–11 Girls into Maths Summer School

4 days of maths, friends, and future opportunities

Open to female students in Years 10–11, this summer school is a chance to connect with like-minded students and explore maths beyond the classroom.

Programme highlights:

- **Day 1:** Maths head-start (DSFC)
- **Day 2:** Maths at university (Durham University)
- **Day 3:** Maths in industry (NETPark)
- **Day 4:** Next steps and enrolment (DSFC)

Details:

- **Monday 24 – Thursday 27 August 2026**
- Locations - Various across the region
