

Y7-9 Maths Ignition Session

Ignite curiosity. Inspire young minds.

Bring maths enrichment to your school with a no-cost, 2-hour session for a group of Year 7–9 students. Delivered by expert A level teachers and their students, this session goes beyond the GCSE curriculum to fuel mathematical thinking, spark interest, and ignite curiosity.

Session highlights:

- Explore exciting topics beyond the classroom
- Challenge thinking and problem-solving skills
- Flexible delivery — choose one session or a full series

Details:

- Delivered **at your school**
- Funded by **Durham Sixth Form Centre**
