

Y7–9 Girls into Maths Insight Day

Inspiring the next generation of female mathematicians

Open to female students in Years 7–9, this insight day explores how maths is used at school, university, and in industry.

Day highlights:

- Explore how maths is used at each level
- Gain insight into progression paths
- Meet staff, sixth formers, university students & industry professionals

Details:

- **Thursday 5 March 2026, 9:30–15:00**
- At **Durham Sixth Form Centre**
