

Y7-9 Maths Ignition Sessions

Ignite curiosity. Inspire young minds.

Bring maths enrichment to your school with a no-cost, 2-hour session for groups of Year 7-9 students. Delivered by expert A level teachers and their students, these sessions go beyond the GCSE curriculum to fuel mathematical thinking, spark interest, and ignite curiosity.

Session highlights:

- Explore exciting topics beyond the classroom
- Challenge thinking and problem-solving skills

Details:

- Delivered **at your school** or hosted at **Durham Sixth Form Centre**
- Funded by **Durham Sixth Form Centre**
